**NORTHEAST GROUP ON STUDENT AFFAIRS
SPRING MEETING
April 12 - 15, 1988**

AGENDA CORRECTIONS - Friday April 15, 1988

Friday, April 15

7:30 - 9:00 A.M.

Women's Liaison Breakfast

9:00 - 10:30 A.M.

Small Groups

- A. Admissions and Counseling: Admissions and Student Affairs Issues Related to HIV Infection. Progress Report of the AAMC Committee on AIDS and the Academic Medical Center.

Moderator: Barbara Levey, M.D., Jean Cook, M.D., Robert F. Jones, Ph.D., Director Institutional Studies, AAMC.

Persons with HIV antibody or a diagnosis of AIDS may be handicapped both by their medical condition itself and by the attitudes and fears of society. When these individuals are applicants or medical students, what are our responsibilities to them, their patients and their institution?

- B. Financial Aid: News and Notes from Washington - A Federal Update.

This session will address the re-authorization of Health Professions Financial Aid Programs, The National Health Service Corp, the GSL deferment regulation with respect to residency training, the GLS default rate issue, loan consolidation and other pertinent topics.

Moderator: Nanci G. Cirone, Director of Financial Aid, Dartmouth Medical School.

- C. Graduate Medical Education

10:30 - 10:45 A.M.

COFFEE BREAK

10:45 - 12:00 Noon

Wrap-Up - "Problem Students - Do They Make It?"

Moderator: Ethel Weinberg, M.D., Vice President for Academic Affairs. Baystate Medical Center.

1. "Differential Non-Cognitive and Cognitive Predictors of Performance in Pre-Clinical and Clinical Education."

Presenter: Ed Eckenfelds, The Rush Longitudinal Study Group.

2. "Loss and Attrition During the Residency Years - Results of an AMA Study." Presenter: Steve Daugherty, The Rush Longitudinal Study Group.

3. Interruptions, Delays, Rest Periods - Are Students Telling Us Something?" Presenter: Robert Beran, AAMC.

Document from the collections of the AAMC Not to be reproduced without permission
