Please share items of importance for the full GEA Membership to read in the GEA Activity Report. AAMC staff may edit you text to fit the report format.

Accomplishments of the region in the last 3 (or more) months:

- Working on two new educator development awards to support innovative medical education research and faculty development in emerging areas.
- Selected theme for 2018 NEGEA Annual Conference to be hosted at the Donald and Barbara Zucker School of Medicine at Hofstra/Northwell- Emerging Issues in Medical Education
- Selected site for 2019 NEGEA Annual Conference - Perelman School of Medicine at the University of Pennsylvania

Plans for the next 3 months:

- Open call for abstracts for 2018 NEGEA Annual Conference
- Open call for nominations for research grants, scholarship award, leadership award and new faculty development grants

Upcoming opportunities to participate in regional activities:

- 2018 Conference planning is underway - please contact conference chair Lisa Coplit (lisa.coplit@quinnipiac.edu) if you'd like to be involved

Recognition (Awards, New members, Member Accomplishments):

- Will be announced in mid-winter
